

Harrisburg, NC
Start: Harrisburg Elementary School
Miles: 30

Roads are in descent shape, very few pot holes, and lots of hills. Great ride, But not for the faint of heart! On a scale from 1 to 3 (Beginner to intermediate to advanced) Rate it a 2.5 because of the climbs with a note about the hills. Last few miles offers a great cool down with very few hills ~ 30 ml. route.
